

Building Careers.  
Changing Lives.

# WHAT'S IN IT FOR YOUR SCHOOL?

Home Builders Institute (HBI) is the nation's leading educational resource for career technical education in the building industry. **PACT** is the pre-apprenticeship curriculum ideally suited for school-based instruction. Vetted by subject matter experts, **PACT** guarantees students will learn residential construction focused skills, receive hands-on training, and master the knowledge needed for employment in an entry-level job in the building industry.

HBI partners with the National Association of Home Builders (NAHB), its 140,000 members, and more than 700 state and local Home Builders Associations (HBAs) and NAHB student chapters across the country.

## BOOST YOUR VOCATIONAL CLASSES WITH PACT

- ▶ 75% hands on, competency-based, industry-validated curriculum
- ▶ Aligned with STEM (Science, Technology, Engineering and Mathematics)
- ▶ One of three national curricula recognized and approved by the U.S. Department of Labor and several States Departments of Education
- ▶ Spanish translation available

## GET THE RESOURCES YOU NEED TO DELIVER PACT

- ▶ PACT Instructor Training and Certification provided
- ▶ Industry-recognized certifications for students
- ▶ 9 Trade Specific Disciplines, Plus Core: Carpentry, Electrical, Plumbing, Brick Masonry, Landscaping, Painting & Finishing, Building Construction Technology, Weatherization, and HVAC
- ▶ Access to HBI's Learning Management System (LMS), a web-based platform of training tools and content to assist the instructor and student with the curriculum

## ADVANCED CURRICULUM OPTION AVAILABLE!

As an added benefit, get access to HBI's Residential Construction Academy (RCA) Textbook Series. Published by Cengage Learning, the RCA establishes a direct link from education to the construction industry, based on the foundation of HBI/NAHB National Skill Standards for residential construction.

The RCA provides learning tools and certification testing at 3 proficiency levels: entry, semi-skilled, and skilled in 8 trade disciplines: Carpentry, Electrical Wiring, HVAC, Facilities Maintenance, Plumbing, Masonry and Basic Principles for Construction.
